Top News

A Milestone Event:
The 15th CIV Global Education Fair brought students, parents, and universities together, creating lasting connections and opportunities.

New Partnerships Formed:
This year, top universities from Canada, the UK, Australia, Europe, and more joined us, opening new pathways for future students

CIV's Commitment

For 15 years, Canada Immigration and Visa (CIV) has been a trusted name in guiding students toward their study and settlement dreams. This fair was yet another step in our journey of empowering futures through education.

Highlights of the Day

From interactive university booths to expert visa counseling and a buzzing Lucky Draw, the fair was filled with learning, excitement, and success stories.

The panel talk on "AI & the Future of International Education" was another standout moment that drew great appreciation from the audience.

Executive Summary

On 20 September 2025, CIV hosted its 15th Global Education Fair in Singapore, delivering unmatched opportunities for students to meet world-class universities. With record participation and strong outcomes, the event reinforced CIV's role as a leader in shaping international education pathways.

Event Snapshot:

- **Venue:** Suntec Singapore Convention Centre, Room 327
- **Time:** 1 PM – 5 PM
- **Audience:** High school graduates, undergraduates, Masters & PhD aspirants, parents & guardians

Engaging Activities:

- The fair was not just about information—it was about experiences.
- One-to-one counseling sessions with university representatives
- Interactive seminars and workshops on study abroad trends
- A special panel discussion on AI & the Future of International Education
- The much-anticipated Lucky Draw, adding excitement and celebration to the day

Diverse University Representation

We hosted leading institutions from Canada, the UK, Australia, Europe, the USA, and Asia, each bringing their unique programs, scholarships, and opportunities. From STEM and Healthcare to Hospitality, Business, and Emerging Technologies, students were exposed to a wide variety of academic pathways.

Unprecedented Participation

The 15th Edition of the Global Education Fair was a landmark event. Over the course of the day, the venue welcomed thousands of enthusiastic students and parents seeking guidance on international education, scholarships, and settlement options.

Why Students Loved It

Attendees found the fair valuable for:

- Direct interaction with universities
- Visa and scholarship guidance
- Networking with peers and experts
- Exploring multiple study destinations under one roof

A Platform That Delivers

The overwhelming turnout and positive feedback proved one thing:

The CIV Education Fair has become a must-attend platform for students, parents, and universities alike. It is more than an exhibition—it is a gateway to global opportunities.

Participating Universities & Institutions:

participating institutions included:

These universities gained direct exposure to a diverse student base across Asia, strong brand visibility, and engagement in panels and seminars.

Panel Discussion Highlight

One of the major highlights of the fair was the insightful panel discussion on **AI and the Future of International Education: Opportunities and Risks**. Esteemed thought leaders shared their expertise and perspectives:

Carina Dipti Mathur
Founder & Managing Director, Canada Immigration and Visa (Singapore)

Oscar Blanco
Head of International Sales, ILAC Education Group

Christian Jay Yutuc
Head of Sales GEDU Global Education- Europe and UAE

Pedro Kuvshinov Saubion
Chief Partnerships Officer, ENAE (Spain)

Diana Mockute
Chief Partnerships Officer, Global University Systems (GUS)

Kishan Kanuru
Director, APEIROtstitute Australia

Their discussion addressed both the potential and challenges of AI in higher education, sparking curiosity and meaningful dialogue among attendees.

Exclusive Networking Dinner

An Evening of Prestige & Connection

As part of the 15th Edition of the Global Education Fair, Canada Immigration and Visa (CIV) proudly hosted an Exclusive Networking Dinner on Friday, 19 September 2025 at The British Club, Singapore.

This elegant evening brought together university representatives, industry leaders, and distinguished partners in an atmosphere of warmth, fine dining, and meaningful conversations.

Why It Matters

- **Stronger University Partnerships** – A unique platform for institutions to deepen ties with CIV and explore new collaborations
- **Insightful Discussions** – Conversations extended beyond admissions to global trends, student mobility, and international education strategies
- **Prestige & Hospitality** – With carefully curated cuisine and a welcoming environment, the dinner created a sense of belonging for our valued partners

A Memorable Night

The evening was more than a dinner— it was a celebration of collaboration and success. Representatives from top universities shared their visions, discussed opportunities, and built lasting connections that will shape the future of education fairs.

Student Outcomes & Success Stories

The heart of the CIV Global Education Fair lies in the real impact it creates for students. This year's edition proved to be life-changing for many young aspirants who walked in with dreams and walked out with admissions, scholarships, and opportunities for a brighter tomorrow.

Key Achievements:

- 70+ students received on-spot admission offers
- \$250,000+ in scholarships awarded
- 50+ students secured paid internships & work-study programs
- Admission confirmations from Canada, UK, Australia, Europe & New Zealand

Transforming Dreams Into Reality

- **Lakma** – Attended the fair to follow her dreams. She met representatives from multiple institutions and found clear pathways for her higher education journey.
- **Adesh** – Described CIV as the best in the industry, praising the career advice, guidance, and opportunities to start his study-abroad process.
- **A Parent Attendee** – Appreciated having so many universities under one roof, making it easy to gather details and compare opportunities for their child.

For universities, these outcomes showcase the direct ROI of participation:

- Access to a qualified, motivated pool of international students
- Opportunities to provide instant admissions & scholarships, building goodwill and strong student pipelines
- Real-time engagement with students from diverse backgrounds across Singapore, Indonesia, and the Philippines
